

ONE:

elements (text, images, graphs) not inside the blue box.

elements away from the bottom edge).

TWO:

allow 0.125 inches cutting tolerance. We recommend having borders in the print process, which may cause slight variations.

ZONE 0.125 inches:

to extend the background image to the edge of the black outline.

IMPORTANT

move our guidelines/instructions to your files, or else they will be lost. They could be converted to outlines.

Size: 18 inches x 24 inches H

Bleed: 18.6 inches x 24.4
