

SAFE ZONE:

All critical elements (text, images, graphics, logos, etc.) must be kept inside the Safe Zone.

Keep all elements away from the Safe Zone.

TRIM ZONE:

Please allow 0.125 inches cutting tolerance at all times. We do not recommend leaving bleedlines due to cutting in the cutting process, which may cause elements to appear uneven.

BLEED ZONE (0.125 inches):

Make sure to extend all the background images or colors all the way to the edge of the bleed outline.

IMPORTANT

Please remove our guide/indications before submitting your file, or else they will be printed. All text should be converted to outlines.

Final Size: 18 inches x 24 inches Horizontal
Size with Bleed: 18.4 inches x 24.4 inches
