

#### SAFE ZONE:

All content (text, images, graphics, files, etc.) must be kept inside the Safe Zone.

Keep all content away from the Safe Zone Lines.

#### TRIM ZONE:

Keep all text, images, graphics, etc. away from the trim zone. Content may be lost due to the cutting process. Anything outside the trim zone will be lost.

#### BLIND CONTENT: NO MATCH

Color separations and registration marks will be missing from edges of the final output.

#### IMPORTANT:

Registration marks and registration color separations are not for printing. They are for alignment only.

Print Blue, Register with Yellow, Magenta, and Red Separations. Do not print registration marks.

PRINT AND SHIP FROM ABOVE (VERTICAL)
